

Category: People Development

This award looks at an organisations commitment to mentoring, coaching and developing current employees. The awards panel will look for clear evidence of the process taken to develop employees to ensure consistent, positive and meaningful development, as well as how this development can be seen in the positive achievements of the business.

The headings below reflect the judging criteria, and you will need to provide the relevant information and evidence under each heading.

ENTRANT DETAILS

Full name

Job title

Organisation name (as you wish the organisation to be referred to throughout)

Email

Phone

Product or Technology Name (If applicable and as you wish for this to be referred to throughout)

ENTRY CRITERIA

1. Description

Please explain why you think your company is deserving of this award. (*maximum 250 words*)

2. Quality

Demonstrate how your company provides exceptional processes, services, or products to meet the needs of your stakeholders and the industry. This could include how you are raising standards within your team, how you are committed to driving customer satisfaction or showing how continuous improvement in process or services is benefiting your company. (*maximum 600 words*)

3. Impact

Describe how your organisation is delivering public benefit, driving innovation and/or improving productivity to support positive change within the industry. This could include how you are actively collaborating with other industry partners, disseminating research and knowledge, or how you are overcoming the challenges of the industry. (*maximum 600 words*)

4. Equality, Diversity and Inclusivity (EDI)

Set out how your company encourages, promotes, and reinforces a culture of fair treatment and equal opportunities for all. This could include how your company is creating opportunities for everyone, supporting staff, clients, and users, or creating a culture of creativity and innovation without bias. *(maximum 300 words)*

5. Operational Excellence

Show how your company is enhancing efficiency and driving excellence within the organisation. Examples could include how data analysis is being used to support organisational change, or implementation of digital technologies is being used to increase productivity, or how you are improving the skills of the companies employed to raise standards. *(maximum 300 words)*

6. Sustainability

Outline how your company is committed to reducing its overall environmental impact. This could include details of how you are planning to meet the net zero carbon targets and your social responsibilities, to ensure that your company contributes to a better building industry. *(maximum 200 words)*

SUPPORTING DOCUMENTS

As well as the information you have provided, we encourage you to supply additional examples of evidence to support your entry narrative. Please select the forms of evidence that you will be uploading alongside your submission.
